# Information

**Intended Audience:** Cardiologists, registered nurses, clinical nurse specialists, practice managers, physician assistants, nurse practitioners and individuals interested in training for careers in cardiovascular medicine.

**Purpose:** There is increasing emphasis on improving the quality of processes in the delivery of cardiovascular care such as shortening time to reperfusion in acute myocardial infarction patients and reducing hospital readmissions for patients with heart failure. There are quality improvement movements occurring on the state level as well as nationally via the American College of Cardiology. This meeting will expose clinicians to these programs and ways they can improve their own practices and hospitals.

**Educational Objectives:** Upon completion of this conference, participants should be able to:

- Describe quality improvement initiatives at the state level and through national organizations such as the American College of Cardiology to improve processes of care for cardiac patients.
- Be able to identify how these programs can be implemented within your own practice to improve the delivery of care.
- Discuss the importance of advocacy in achieving these goals at a state and national level.
- Review new treatment options for the interventional management of patients with coronary artery disease.

**Cardiac Care Associates:** Register to win a \$250 Visa Gift Card at our CCA booth. You must be present to win.

**Registration Fees:** Fees are waived for this year's chapter meeting. Continental breakfast and a luncheon will be provided.

**Conference Location:** hotelVetro Studio Suites and Conference Center, 201 South Linn St., Iowa City, IA 52240

**Housing:** Registrants are responsible for making their own housing arrangements and may do so by contacting hotelVetro Studio Suites and Conference Center (201 South Linn St, Iowa City, IA 52240) at 1-800-592-0355. Room rates are \$119 excluding taxes. For review of hotelVetro visit: <http://www.hotelvetro.com/>.
